Kick off Meeting
Local Stakeholder Events
2nd Project Meeting

DIGITAL WOOD ARTISAN

is a project that aims to disseminate good practices at European level through the training of trainers that can provide innovative skills about the wood sector, to disadvantaged learners with innovative, effective and consolidated methodologies.

KICK OFF MEETING

Dear DWA friends,

The kick off meeting of the DWA project took place in Italy, Trani on November 27-28. The partners discussed the results of the project as well as issues related to the dissemination and promotion of the project and its implementation in the highest quality possible. The coordinator analysed and set the details regarding project management, time-schedule, social media strategy, communication, evaluation and reporting and financial regulations. All partners agreed on the upcoming tasks and timeframes taking into account EU quality standards. The project also has a new social media hashtag: #digiwoodart !

LOCAL STAKEHOLDER EVENTS

The partners are in the process of organizing the first DWA Local stakeholder Event to involve the local community and inform interested stakeholders about the project and its activities.

During the events, the partners will disseminate information about the project to their network.

2ND PROJECT MEETING

The second transnational meeting of Digital Wood Artisan project will take place in Tampere, Finland in May 2019.

Stay tuned for more news!
